Getting Started with Libby

Step 1

Download or open Libby on your device:
- iOS devices: Apple App Store
- Android devices: Google Play
- Amazon Fire tablets: Amazon Appstore

Windows, Mac, and Chromebooks: libbyapp.com

Step 2

In Libby, follow the prompts to find your library and sign in with a library card.

1

Welcome! Thousands of public libraries offer ebooks and audiobooks (for free!) in Libby. Let me ask you a few questions, to guide you to your library.

First question: do you have **a library card**?

Yes, I Have A Library Card

There are several ways I can help you find your library. How would you like to continue?

Guess Your Library
Find the nearest library using your (probable) approximate location.

Search For A Library
You can look up your nearest library by name or city or zip code.

Recover Your Data
If you already use Libby, choose this. It will keep all your data in sync.
