Your Reading Journey Begins!

- Use the road map to track the time you spend reading.
- Complete each tier to earn prizes and raffle tickets.
- Help us reach our community goal of reading/listening for 25,000 hours!

If we reach our goal, we will donate \$2000 to Pupcycled, through our generous Friends of the Palo Alto Library.

About Pupcycled

Founded by high school students, Pupcycled turns donated clothes into dog toys to reduce waste and support shelter and rescue dogs. The library has hosted a donation drive and several sewing events at its branches to support the local Palo Alto chapter. We're pleased to support this organization that works towards combating climate change and providing support for vulnerable pets in our communities.

Thank you to our Friends of the Palo Alto Library for providing the funding for our program and donation to Pupcycled, and all other sponsors and partners, whose gifts enhance our participants' experiences in the summer reading program.
